Universal Early Years Entitlement

All children receive their Universal Early Years Entitlement in the term following their 3rd birthday. You will be able to take advantage of the 570 hours per year which will be spread over the 48 weeks that First Steps Nursery is open. This equates to 11.87 hours a week of funded childcare.

Additional hours are chargeable at our current rates:

- Under 2 years old rate: £10.95 per hour
- 2-3-year-old rate: £8.33 per hour
- 3-year-old rate: £8.05 per hour

Working Parents Funding - 9 months +

The term after a child turns 9 months (and working parents of 9 months olds + need to apply for this funding via the childcare choices website) they are entitled to 1140 hours of funded per year annum. You will need to meet the government criteria in order to be eligible for 30 hours entitlement. A total of 1,140 hours will be spread over a maximum of 52 weeks which includes five inset days. Early years funding is only paid for 38 weeks of the year; however, First Steps is a setting that is open all year (48 weeks) and uses the stretched offer, therefore funding will be worked out each term taking into account our opening hours.

EYE funding entitlement is: 1140 hours per annum of which five are inset days.

Children can claim up to 23.75 hours per week due our stretched funding offer. You can use more than one provider, but you can only claim the maximum entitlement of hours per funding period in total. If you are using more than one provider, then please let us know so we can ensure our records are accurate.

Tax free childcare for working families

Additional Resource Charge (ARS)

First Steps charges an additional resource charge for children who are using government funding to pay for their sessions. This is to enable us to continue to offer the high-quality childcare and resources which we currently offer. These charges enrich and enhance the opportunities we have and include things such as tapestry, home visits, Christmas lunch for parents, stay and plays, book bags, wet wipes, settling in sessions and suncream. The full breakdown of what our ARS charges cover are included in our terms and conditions.

Our ARS charges are £5.50 per session. This equates to £1.37 per hour based on a 4-hour session or £1.22 per hour for a full day.

Food Charges

As a setting we have been awarded a 5* award from environmental health. We provide healthy meals and snacks for the children attending our setting which is cooked on site by our Chef.

The cost for food is as follows:

Under 2's - £3.20 per day (Breakfast, 2x snacks, Lunch and Tea)

Over 2's - £7.20 per day (Breakfast, 2x snacks, Lunch and Tea)
